

DELHI TRAUMA CONCLAVE MIDCON 2026

North India's Biggest Trauma Conclave

DATE : 21st JUNE, 2026 | VENUE : HOTEL EROS, NEHRU PLACE, NEW DELHI

Conference Brochure

Welcome Message

Dear Esteemed Colleagues,

Welcome to Delhi Trauma Conclave (Midcon) 2026

It is with immense pride that we invite you to the Delhi Trauma Conclave **(MIDCON) 2026**, scheduled on Sunday, 21st June 2026 at Hotel Eros, Nehru Place, New Delhi.

This year, we bring to you a bold and focused academic experience centered on “Lower Limb Trauma” – Knee, Foot, and Ankle. These complex regions demand precision, innovation, and sharp clinical judgment and **MIDCON 2026** is designed to deliver exactly that.

Breaking away from conventional formats, this conclave replaces routine lectures with intense case-based discussions, expert debates, practical decision-making strategies, and high-impact learning sessions. Every session is curated to challenge thinking, sharpen skills, and translate knowledge directly into better patient outcomes.

With the presence of India’s leading trauma surgeons, this gathering promises not just learning, but meaningful engagement, an opportunity to question, interact, deliberate, and evolve.

Join us for a day where expertise meets experience, and where knowledge transforms into practice.

We look forward to welcoming you to an unforgettable academic experience.

Warm Regards,

The Organizing Committee

About the Conference

The Delhi Trauma Conclave (**MIDCON**) 2026 is one of North India's leading academic forums dedicated to trauma surgery. Designed as a focused and high-impact scientific meeting, **MIDCON** brings together experienced surgeons and young specialists for meaningful discussions, expert debates, and practical learning.

Our vision is to promote excellence in trauma care through interactive, case-based education and collaborative exchange of ideas. The conclave aims to enhance clinical decision-making, address contemporary challenges, and refine surgical skills.

Theme 2026: Lower Limb Trauma – Knee, Foot & Ankle

Injuries around the knee, foot, and ankle present complex anatomical and functional challenges. With increasing high-energy trauma and periarticular fractures, precise management and evidence-based strategies are crucial. **MIDCON 2026** will offer focused insights, practical approaches, and expert guidance to improve patient outcomes.

We place a special emphasis on empowering the next generation of surgeons. **MIDCON 2026** is committed to active Post Graduate participation featuring competitive PG Paper Presentations and a dynamic PG Quiz. This platform allows residents to showcase their research, engage in scientific deliberations, and receive mentorship from stalwarts in the field—bridging the gap between textbook theory and practical surgical decision-making.

Join us for a day of impactful learning and professional engagement.

Conference Highlights

- Interactive format replacing routine lectures with engaging discussions.
- Exclusive academic focus on Lower Limb Trauma: Hip, Knee, Foot, and Ankle.
- Deep dive into complex case-based discussions & decision-making algorithms.
- Dedicated management sessions focused on tackling surgical complications.
- Competitive PG paper presentations & a dynamic trauma quiz for residents.
- Hands-on workshops, prestigious keynotes, and CME credit points.
